In re Application of:	:	
PIKE, ANTHONY BRUCE	:	
Serial No. 10/561,752	:	
Filed: Dec. 21, 2005	:	DECISION ON PETITION
Docket: 2163-2 PCT/US/RCE	:	UNDER 37 CFR § 1.181
Title:	:	
MEDICAL PROTECTION SHEETING	:	

This is a decision on the request filed July 18, 2011 under 37 CFR 1.181 requesting withdrawal of the Requirement for Information Under Rule 105 as stated in the last Office action mailed May 18, 2011.

The petition is dismissed as moot.

In finding petitioner's points of argument persuasive, the requested relief is granted. As such, the Requirement for Information under Rule 105 as stated in the last Office actions issued on May 18, 2011 is moot and hereby withdrawn. The Office will accept the applicant's original response filed on March 27, 2009 and the statements made in the current petition as a complete response to the Rule 105 Requirement of November 14, 2008. However, this decision will not disturb any rejections made by the examiner because any adverse patentability decision on claims is an appealable matter.

Since the Rule 105 Requirement is being withdrawn, the application is being forwarded to the examiner via the Supervisory Patent Examiner of the Art Unit 3772 awaiting the applicant's response to the outstanding Office action mailed on May 18, 2011. Any inquiry regarding this decision should be directed to Henry C. Yuen, Supervisory Patent Examiner, at (571) 272-4856.

PETITION DISMISSED.

Donald T. Haege, Director
Technology Center 3700
